

The Massachusetts Department of Public Health invites applications for the **Deputy Director for Problem Gambling Services**

Exciting career opportunity for a highly motivated professional who learns quickly, champions systems development/improvement and inspires others to thrive in a fast-paced, challenging and evolving team-based environment.

The Office of Problem Gambling Services is an expanding initiative for the Massachusetts Department of Public Health, and **team members are needed to scale up the program to meet the needs of communities** throughout that state. Our ideal candidate is a leader who excels in a mission-driven environment and is committed to improving the health and well-being of individuals and communities in the Commonwealth of Massachusetts.

With support from the Director, the Deputy:

- oversees the administrative, fiscal, operational, procurement and programmatic needs of the Office;
- manages, supports and supervises staff;
- contributes to Office strategic planning, implementation and project management;
- assists in program planning and ensures successful program implementation and evaluation of activities;
- develops, implements and improves Office policies and procedures.

Preferred Skills and Experience Needed to be Successful in this Position (*complete list*→ *click link below*):

- Bachelor's degree, preferred.
- 5-10 years work experience with 2-4 years experience supervising staff.
- Ability to motivate and supervise staff, including: performance appraisal, employee coaching, team development, training and professional development.
- Skilled in project management, operations, fiscal and high-level administrative oversight.
- Experience with program planning and implementation, preferably in a public health, government or non-profit environment.
